The Broadway Subway Project Corporation (BSPC) is in your neighbourhood relocating utilities and building the traffic deck on W. Broadway. Beginning at 6:00 am on Saturday, August 20 and until 6:00 am on Monday, August 22, Arbutus St. will be closed to vehicle traffic from W. Broadway to W. 8<sup>th</sup> Ave to allow work to occur overnight as well as regular daytime shifts. Pedestrian access will be maintained.

### What to Expect

Access to residences, businesses, and parking lots will be maintained. People in the area can expect lane restrictions, pedestrian detours, and elevated noise during this work. Pedestrians will be detoured around the work area, so please watch for sidewalk signage. People travelling in the area may experience traffic congestion. Posted speed limits have been reduced. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs. The map below shows the temporary Arbutus St. access restriction, as well as other current restrictions, in red.
